## PROFILE

I am Somnath an aspiring engineer at Sri Sairam Engineering College, where I am pursuing a degree in engineering. Throughout my time at Sri Sairam Engineering College, I have immersed myself in various aspects of engineering, from theoretical concepts to practical applications. I have been actively involved in numerous projects and workshops that have provided me with hands-on experience and a comprehensive understanding of the subject.

## EXPERIENCE

### Data Analyst and Machine Learning Intern

POLENZA TECH SOLUTIONS (OPC) PRIVATE LIMITED

Feb 2024 - Mar 2024

During my internship at Polenza Tech Solutions, I had the opportunity to work extensively in the domains of Data Analysis and Machine Learning. This internship has significantly enhanced my technical proficiency and problem-solving capabilities in the fields of data analysis and machine learning. The hands-on experience I gained at Polenza Tech Solutions has prepared me to tackle complex challenges and contribute effectively to future projects in these domains.
